Dear Parent/Guardian:

While reviewing grades for last semester, it was noted that many students are receiving close to failing or failing grades due to missing assignments. As a staff dedicated to the success of all our students, we have developed a plan to alleviate or lessen this problem.

Beginning next week (January 23, 2017), teachers will begin keeping a list of all students' missing work. On Friday, we will send home a list of the missing work with each student. The student may finish this work over the weekend; however, if the student does not complete the missing work, he/she will attend Lunch Crunch on Monday. The student will be released for lunch early to go pick up his/her lunch, but must quickly return to the library to work and eat lunch. Our plan is to continue doing this until the end of the year, so please be looking for a Lunch Crunch form each Friday.

We are not doing this to punish the students; we are doing this as our part to encourage all students to be successful. We strongly believe this will prove to be beneficial to our students, and we look forward to working together to ensure their success.

Should you have any questions, please feel free to call.

Sincerely,

Keith Coleman

Principal

The Norphlet Middle School's mission is to prepare and encourage all students to be productive members in society and to be lifelong learners.
