To our Buckaroo community-

Buckaroo football season is quickly approaching and the 2018 football programs are in the works. Smackover High School's Sports Medicine club will be responsible for the football programs this year. These programs will be available for purchase at every home game this season. They are a great way to show off your little and big Buckaroos. Program ads are also great tools for promoting your business and showing your support of Buckaroo athletics.

We will be adding a Memorial page for anyone wishing to recognize a loved one who was a Buckaroo supporter!!! Memorials will be \$10 per name listed.

If you would like to purchase an ad for your business or loved ones, here are the prices per ad size:

Full page-\$185
1/2 page- \$105
1/4 page- \$65
1/8 page- \$40

Please mark which size ad you would like to purchase below. Make checks payable to SHS HOSA. Money, form, and any pictures/wording that you want on your ad are due in the Smackover High School office by noon on August 17, 2018.
